Workshops

Learn simple and affordable ways to
improve the health of your home and family.
45 minute classes offered hourly.

Classroom A

- 9:00 am** **Gleaning 101** Learn how to access local sources of free produce and other surplus materials. You'll find out what gleaning is, how it helps the community and how to get involved. *Eugene Area Gleaners*
- 10:00 am** **Recycling 101** Learn the ins and outs of recycling and sorting. Bring your questions and any of those challenging items you're not sure about. *BRING Recycling*
- 11:00 am** **Mold and Moisture** Get tips on how to prevent mold and moisture problems in your home. Learn how to identify, clean up and prevent mold from reoccurring. *Oregon Housing and Community Services*
- Noon** **Compost, The Home Grown Solution** Make everything that you need for your soil. Learn how composting will help you to grow bigger and healthier plants and vegetables. Worm composting, cold composting and hot composting methods will all be covered. *Lane County Master Recyclers.*
- 1:00 pm** **Bicycling Comfortably/Confidently to School or Work** You'll be guided with tips, techniques and skills to get your kids or yourselves to school or work. Recommendations, comfort, safety, knowledge and expectations will be offered. *GEARs*
- 2:00 pm** **Realistic Ways to Conserve Energy** This interactive presentation demonstrates realistic ways to conserve energy. Learn about heating, hot water, refrigeration and how to get family members on board to save energy. *HACSA Energy Services*

Classroom B

- 9:00 am** **Online Resources for Self-help Electronic Repairs:** Watch a demonstration of an actual repair following instructions provided from a website resource. Hand-out material will be made available with resources listed. *NextStep Recycling*
- 10:00 am** **How Do I Start a Business?** Learn steps on how to start and grow a small business. Business types, marketing, and financial resources will be discussed. *eDev*
- 11:00 am** **Making the Most of Your Tax Return** Learn more about what you qualify for, how to access FREE tax assistance, and the resources that can help you make the most of your tax return. *The Financial Stability Partnership: United Way of Lane County*
- Noon** **How to Be A Good Neighbor** Learn tips and techniques for establishing and maintaining better relationships with neighbors, from preventing conflict, to ways to handle problems when they arise, including specific communication skills for resolving conflicts. *Community Mediation Services*
- 1:00 pm** **Foreclosure Intervention** Learn what options are available to homeowners who may be struggling or soon will be struggling to make their mortgage payment. Learn what assistance programs are currently available. *NEDCO*

- 2:00 pm** **Step by Step Energy Efficiency: Clase en Español** Learn easy no-cost and low-cost tips to start making an immediate change to your home's efficiency. *EWEB*

Guía Paso a Paso Sobre la Eficiencia de Energía en el Hogar. Aprenda consejos fáciles sin costo o de bajo costo para empezar a hacer un cambio inmediato en la eficiencia de su hogar. *EWEB*
